

Stephen Hillebrecht, CFA

Co-Head of Product Management

Stephen Hillebrecht leads the development and communication of information regarding the firm's investment capabilities, and the role the firm's investment strategies may play in client portfolios across Private Wealth and Institutional markets globally. He also contributes to the development of content related to the capital market environment, portfolio positioning and market outlook.

Mr. Hillebrecht joined Lord Abbett in 2005. Prior to his current role, he worked in various capacities at the firm, including Fixed Income Product Strategist and Director of the Portfolio Specialist Group. His previous experience includes several positions in fixed income sales and trading, including Vice President in the Private Asset Management group at ING Barings in New York. He has worked in the financial services industry since 1991.

He earned a BA in economics from Georgetown University and an MBA in finance and international business from New York University. He also is a holder of a Chartered Financial Analyst (CFA)[®] designation.
